The North Dakota Judiciary. BISMARCK, Dak., July 24.-The judi ciary committee has at last reported to the convention. The committee recommends a supreme court and three judges, six judicial districts, with as many judges, and that the present system of justices of the peace be retained. The terms of judges of the supreme court are fixed at six years. The Scandinavian temperance society of North Dakota has petitioned the convention on behalf of the Scandinavian inhabitants to prohibit the manufacture and sale of intoxicati. g liquor in the state.

Eight Judicial Districts. SIOUX FALLS, July 24.—Consideration of the report of the judiciary committee to combat in the form of scarlet fever, was the main feature of to-day's session. | which is indeed in a most malignant and

of the convention was occupied in consideration of propositions relating to taxation. It was decided that compulsory education may be enforced to a certain limit. The legislature is authorized to regulate the legislature is authorized to regulate the charges of railway and express companies.
The section prohibiting railroads from pooling was stricken out. The proposition against free passes to state officers was voted down.

DENIES THE INTERVIEW.

Marcus Daly Says He Has Not Talked or dependent. |-A courier came in late las Political Topics. BUTTE, July 24 .- [Special to the Independent |-A short time ago the River Press, of Fort Benton, contained a lengthy interview purporting to have been held with Hon. Marcus Daly on his recent return from the east. This interview gave a shaft house and its machinery, precipitatlengthy statement of Mr. Daly's political ing several car loads of ore in sacks, which views. The substance of the purported conversation was telegraphed to the INDE-PENDENT and has been copied extensively by the territorial and outside press. Knowing it to be against Mr. Daly's principles to submit to newspaper interviews, your correspondent asked him to-day if the in- of air to be created, and with water hauled terview was authentic. Mr. Daly denied in tanks, finally put out the flames. The most emphatically that he had been interviewed by a River Press reporter, or by the representatives of any other paper. He says, moreover, that he was not in Fort It is presumed that the shaft house was set Benton at the time stated and that no such on fire. onversation as that reported took place between himself and any one. He has not talked politics and will not. He has no desire to mingle in political affairs. Mr. Daly made these statements with a great deal of emphasis and seemed indignant that he had been unwarrantably quoted in

a political interview. DISCREDIT THE STORY.

Mrs. Heron is in Danger. secretary of the Corean embassy, called at Northern Pacific money, but as the station the state department this morning and is not an important one, the amount will talked with Acting Secretary Wheaton probably not exceed a few hundred dollars. about the case to the missionary reported to be under sentence of death in Cores for preaching the doctrine of christianity. Savannah, Ga., July 24.—A child has seen sacrificed to a pseudo Messiah who has been sacrificed to a pseudo Messiah w in Corea, had been sentenced to death for teaching christianity, is not credited by the officers of the Presbyterian board of foreign missions. They have had no advice of such an occurrence and consider such action by the Corean authorities inherently improbable. A telegram from the Corean legation at Washington says: "The state department and myself consider the rumor unfounded. Foreigners have the right of extra territoriality and can only be arrested. extra territoriality and can only be arrested and tried by the American consul. Have cabled for information."

Roosevelt on the Trail. WASHINGTON, July 24.-Civil Service Commissioner Roosevelt said today that harges have been brought against the pension office and the sixth auditor's office that men have been discharged because they were democrats. He was not prepared to say this was a violation of the law, but individually he was firmly of the opinion it
was in violation of the spirit of the law.
He thought that no one unless he happened
to be an active partisan, should be dismissed from the public service. He said
the commission was going to look the
matter up, not only relating to the present,
but the past.

WASHINGTON, July 24.—Solicitor Hepburn, to whom the question was submitted, is of opinion there is nothing in the Chito the passage of the proposition restricting

WASHINGTON, July 2t.-The attorney- the missing aeronaut. Harvey Flower, of rived at New Orleans from Cuba en route to China via San Francisco. The Chinese minister has asked that these men be permitted to cross the United States on their way home, and it is probable in view of the attorney-general's opinion that his request will be granted. This opinion is in accord with a decision given by Solicitor Hepburn on the same question some weeks ago, which was, however, not accepted by the treasury department.

Buenos Ayres, July 24.—The premium to man army. on gold has advanced to 75 per cent.
